THE WING CHAIR

HIGH BACK

The Wing Chair features a striking, unique profile inspired by the graceful lines of a bird's wing. This modern piece combines both form and function, with an inner structure crafted from durable fiberglass for strength and support.

The two-tone PU (polyurethane) seat and backing offer a sleek and contemporary look, blending comfort with cutting-edge design. The dynamic, wing-like silhouette not only adds an elegant aesthetic to any space but also ensures optimal comfort, making it a standout piece for both residential and commercial interiors.

(Can Swivel/Up-Down/Tilting)
 - Aluminum 5 Star Base
 - Black Nylon Castors
 - Koeran Standard Gaslift
- Dimension: 570D x 640W x 790H~990H

flowline

Office Chair

The Flowline Chair is distinctive for its continuous, flowing lines that seamlessly transition from the base to the armrest. This elegant and creative form, combined with an ergonomic design approach, successfully merges artistic expression with functional utility. This results in a piece that is both visually striking and exceptionally comfortable.

FLOWLINE

Brief Description

Office chair

- Bentwood inner structure
- Black simple steel mechanism (can up-down/swivel/tilting/lock)
- Black Standard gaslift
- Black steel 4 star base
- Black nylon castor

The Moove Chair exemplifies minimalist design fused with luxury and elegance. Its seamless, one-piece profile flows continuously from the seat to the backrest, creating a sleek and cohesive silhouette that is both modern and refined. Crafted with carefully selected materials and finishes, the chair delivers a luxurious tactile experience and superior comfort. The armrests are designed with a creative metal detail that subtly pops out without interrupting the overall minimalist aesthetic, adding a distinctive touch while maintaining the chair's clean lines. Blending simplicity, elegance, and thoughtful detailing, the Moove Chair is an ideal choice for contemporary offices, lounges, or living spaces, where style and comfort meet in perfect harmony.

Office Chair

MOOVE

Brief Description
Office chair

- Black Simple Steel Mechanism (up-down/swivel/tilting/lock)
- Black Powder Aluminum 5 Star Base
- Black Powder Aluminum Armrest
- Black Nylon Castors
- Black Standard Gaslift

Moove

Skye

Office Chair

The Skye Chair is a literal expression of the sensation of being lifted, elevated by the extraordinary comfort it offers. Its thoughtfully designed cushion gently embraces your body, while the abstract, cloud-like forms of the armrests and backrest complete the experience.

Together, they evoke the feeling of being cradled in the sky, lifting you into a higher state of relaxation and happiness the moment you take a seat.

Brief Description

Office chair

- Moulding Form Inner Structure
- Black Simple Steel Mechanism
(can up-down/swivel/tilting/lock)
- Standard Gaslift
- Black Powder Aluminum 5 Star Base
- Black Nylon Castors

terra

Office Chair

Terra Chair shares the same design language as the Skye Chair, but with a key difference: it features a continuous form with no breaks or gaps between the armrest and backrest. This seamless structure not only enhances the visual unity of the chair but also helps trap warm air, adding a subtle thermal comfort advantage in certain settings. Its monolithic form gives it a sturdier presence while preserving the soft, enveloping comfort that defines the Terra experience.

TERRA

Brief Description

Office chair

- Moulding Form Inner Structure
- Black Simple Steel Mechanism
(can up-down/swivel/tilting/lock)
- Standard Gaslift
- Black Powder Steel 5 Star Base
- Black Nylon Castors

vera

Office Chair

Vera is a refined blend of elements from both the Skye and Terra chairs, yet it stands apart with a distinctly luxurious identity. It strikes a well-balanced harmony between familiar, inviting forms and enhanced comfort, thanks to its thicker foam padding. A standout feature unique to Vera is the use of dual padded seat cushions—offering an extra layer of softness and support not found in either Skye or Terra. This thoughtful addition, combined with its elegant proportions, elevates Vera into a class of its own.

Brief Description Office chair

- Moulding Form Inner Structure
- Black Simple Steel Mechanism
(can up-down/swivel/tilting/lock)
- Standard Gaslift
- Black Powder Aluminum 5 Star Base
- Black Nylon Castors
