DIMENSIONS

The Viro Desking System is Modernism's perfect companion — functional and structurally stable, it doesn't compete but instead fuels creativity.

L-Shaped Desking

Viro offers new level of workspace flexibility that facilitates individual needs to reconfigure to the changing realities of business.

General Workstations

A functional and elegant desking system, creating a dynamic environment that supports all activities.

Viro Potentials

To live with purpose and intention, we must create space for simplicity amid the chaos. That begins with learning to say no, even to good things. This principle applies not just to life, but to the workplace as well. "Where modern design meets a rich palette of materials, Viro Desking answers the call for uncompromising quality & timeless style. The strength of Viro's elegantly designed legs allows for a minimal undercarriage, maximizing legroom and comfort for collaborative group settings. Viro Desking is fully reconfigurable, available in a variety of shapes & sizes including square, circular, and rectilinear, offering flexibility without sacrificing aesthetic harmony.

Framing Specifications
